

ORGANIC CANE SUGAR

Argentbio is not only a global operator of different international conventional sugar traders but also Argentina's largest exporter of organic cane sugar. Our production comes from different sources from the North of Argentina. We collaborate with traditional organic sugar mills, which have been successfully in the market since more than a decade. Furthermore Argentbio develops promising new organic cane sugar projects. Our team is highly trained in logistics and container handling area. The backoffice area is highly qualified to serve our customers in the best possible way. Our alliances and key facts such as our professional marketing team, the understanding of global price trends, long-term commitments and the excellent quality product, is that our organic sugar is shipped to customers in almost every continent.

The organic seal, certified by OIA. Meets the requirement of European (IFOAM), American (NOP), Suisse (BIO SUISSE) and Japanese (JAS) markets. Additionally, our organic sugar is Kosher and HALAL certified adding an extra value to our organic offer. The unrefined organic cane sugar is produced with 100% GMO free cane. It has a golden and sparkling appearance, free flowing and a subtle buttery flavor. The high content of vitamins and minerals convert this sugar into a healthy sweetener.

We currently offer two varieties of organic sugar commonly known as clear (high polarity) and dark sugar (low polarity); being able to meet different specifications and packaging requirements.

Technical Specifications:

Origin	Argentina			
Typ		High Polarity	Low Polarity	
Specifications	Icumsa	max 450 units	600 – 1200 units	
	Polarization	min 99.6%	max 99.45%	
	Moisture	max 0.1%	max 0.15%	
	Ashes	max 0.3%	max 0.3%	
	Crystal Size	0.55mm – 0.95mm	0.55mm – 0.95mm	
Nutritional Values (100gr)	Energy	1700 kJ	Fiber	0.04gr
		400 kcal	Natrium Sodium	max. 0.01gr
	Protein	0.5g	Calcium	max. 0.02gr
	Carbohydrates	99g	Fat Saturated Fat	0.06gr 0.04gr
Organoleptical properties	Sweet flavor, Scent neutral			
Fisical contaminant	Black Specks : máx 12 un / 1500 g sugar Foreing Matters : Free			
Chemical contaminant:	<ul style="list-style-type: none"> - Arsenic (as As) : < 1 mg/kg - Lead (as Pb) : < 0,5 mg/kg - Copper (as Cu) : < 2 mg/kg 			
Availability	Annual			
Packaging	25kg Kraft bags, 50lb, 1000kg big bags			
Logistics	Max. 25tns per 20' container			
Certified	IFOAM/EU, NOP, JAS, BioSuisse, Kosher, Halal			

Microbiological analysis:

Parameter	Unit	Limit
Aerobic mesophiles	UFC/10g	<1000
Yeast	UFC/10g	<100
Fungi	UFC/10g	<100
Coliforms	-	Absent in 10gr
E. coli	-	Absent in 25gr
Salmonella sp.	-	Absent in 25gr
